Dear Sir:

Further to the two prior IDS documents previously submitted, the Applicant, in accordance with the requirements of 37 CFR §§ 1.56 and MPEP 609, through its attorneys and representatives, hereby brings to the attention of the Examiner the additional information noted on the attached Form PTO-1449, a copy of which are enclosed. The cited documents, a copy of the Written Opinion of the International Searching Authority Opinion (Form PCT/ISA/237 and Form PCT/1B/338) relates to two documents that were previously submitted. This submission is timely in that it is made prior to the first action on the merits of the application.

The information was cited in transmittal of the above-mentioned paper on June 14, 2007, so this submission is also timely in that it was noted in a communication from a foreign patent office in connection with a counterpart International Application not more than three months prior to this submission.

SON-3441

Application No.: 10/579,210

It is requested that the Examiner review the information noted and make such consideration of record.
